VARSITY FOOTBALL

The 1979 Bulldogs finished with a surprising 7-2 record. This was accomplished on a rebuilding year.

Almost every game was close with the final outcome in question all the way. After one of our close wins, the athletic director from the opposing team made this comment, "Vancleave wasn't as good as we thought. You are winning on hustle and hitting." I don't know if this was a complement, but it sums up the way we won. We won five close games because we just would not give up.

I hate to see our seniors leave, but I believe they can be proud of the job they did. They led a young team that played up to its ability more than any recent Vancleave team.

The '79 Bulldogs opened the season with a long awaited victory over Pass Christian. Then Hurricane Fredrick took over. After regrouping and practicing without water or electricity, the Bulldogs struggled through two daytime games.

The first game was a heart breaking loss to St. Martin, and the second was a victory over Hancock North Central. The next three ball games were wins over East Central, Bay St. Louis, and Leaksville. Two of the games were shutouts as Vancleave was playing their kind of football. Following a loss to D'Ibervile, the Bulldogs won two close games over Baker and St. Stanislaus. This ended a season that I will always wonder what would have happened if the storm had not hit.

We had three players win all Pascagoula River Conference honors. They were our leading tackler, Norman Bang, our leading rusher, Mark Warren, and our leading blocker, Gene Morris. Ricky Moore, Mike Faountain, and Eugene Reddix made honorable mention.

JUNIOR HIGH
GRIDIRON

The 1979 junior high football team had a very successful season and finished the season with a 5-2, won-lost record. This mark was good enough for a second place finish in the Pascagoula River Conference.
The team this year was led by a fine group of ninth graders headed by Jack Gaines, voted outstanding lineman in the conference. Also voted to the all-conference team was Phillip McMillan, Patrick Jackson, and Dallas McVeay. These football players and the other ninth graders on this year's team provided outstanding leadership for the eighth graders. These qualities, along with desire and attitude, contributed to a fine football season.

JUNIOR HIGH CHEERLEADERS

The junior high cheerleaders had a very successful year. There were many days of hard practice after school, but it paid off every Thursday night at the ballgames. The cheerleaders will continue to cheer for the Junior Bulldogs and root for V.J.H.S.

IN MEMORIAM
TO

MELODY ANN BARTON

A FRIEND TO EVERYONE

A FRIEND'S GREETING

I'd like to be the kind of friend that you have been to me;
I'd like to be the help that you've been always glad to be;
I'd like to mean as much to you each minute of the day.
As you have meant, old friend of mine, to me along the way.

I'd like to do the big things and the splendid things for you,
To brush the gray from out of your skies and leave them only blue;
I'd like to say the kindly things that I have often heard,
And feel that I could rouse your soul the way that mine you've stirred.

I'd like to give you back the joy that you have given me,
Yet that were wishing you a need I hope will never be;
I'd like to make you feel as rich as I, who travel on,
Undounted in the darkest hours with you to lean upon.

I'm wishing at this time that I could but repay,
A portion of the gladness that you've strewn along my way;
And could I have one wish this day, this would it be,
I'd like to be the sort of friend that you have been to me.

Love,
Melody

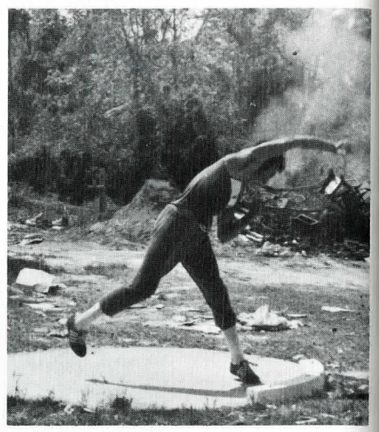
SPRING

VARSITY TRACK — BOYS



Standing: Left to Right: Erich Lehmiller, Coach Rudolph, Doc Reddix, Johnny Briggs, Ricky Moore, Jesse Wells, Norman Bang, Allen Williams, Darrell Payton, and Michael Alford. **Kneeling: Left to Right:** Lynn Ely, Stefan Lehmiller, Fred Batson, Ezell Buxton, Mark Warren, and David Alford.

The 1980 track team was a very competitive team. They participated in five track meets placing second at D'Iberville, second at St. Stansilaus, fourth in the conference track meet, second in district, and second at south state.

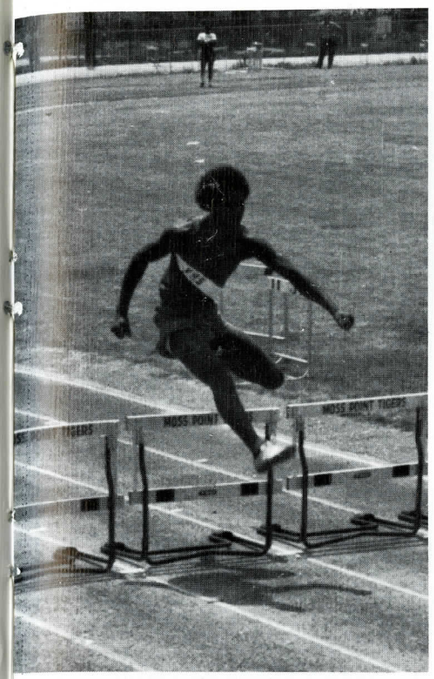
Our outstanding participants were Norman Bang, Mark Warren, and Jesse Wells. The other athletes did well also.

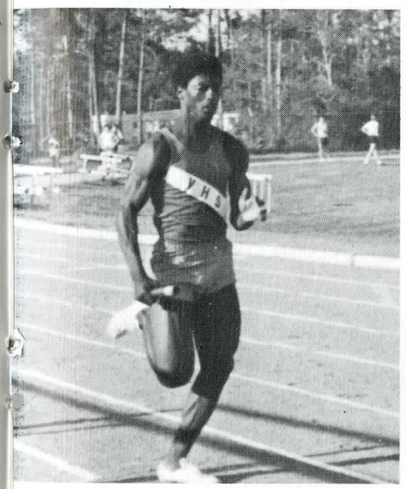
In the District Meet, Norman Bang placed third in the discus; Jesse Wells, first in the long jump; and Ricky Moore, first in the pole vault. Jesse Wells was first in the high and low hurdles, while our 880 and mile relay teams came in second. All of these people qualified for the South State Track Meet in Jackson.

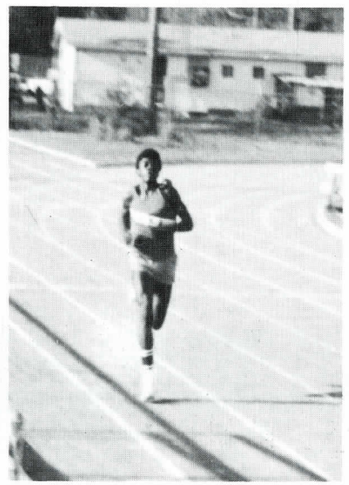
In South State Jesse Wells was first in the high and low hurdles and second in the long jump. Ricky Moore placed third in the pole vault. These people qualified for the State Track Meet

In the State Track Meet Jesse Wells placed third in the high and low hurdles.

As a team, more people qualified for South State and the State Track Meet than we've had in the past. We won more ribbons and placed higher in all track meets. Our 1980 track team was improved over the 1979 edition. If these improvements continue, the track team will be of championship quality by the 1982 season.







Top Left: Jesse Wells, third place state winner, clearing the low hurdles. **Top Right:** Ricky Moore having trouble with his vault. He went on to the state track meet. **Center Left:** Allen Williams running his leg in the 880 relay that went to South State. **Center Right:** Johnny Briggs running the 440 yard dash. **Bottom:** Nerias Wright (extreme left) and Norman Bang (extreme right) running the 100 yard dash in the preliminaries of the district track meet.

HIGH SCHOOL TRACK — GIRLS

The girls' 1980 track team consisted of eleven girls. These eleven girls improved week after week. They placed third in the conference and in district. Individual talent ran high with seven girls qualifying for the South State Track Meet. The girls who qualified were: Thelma Briggs, June Webb, Devy Pendergrass, Mary Ellen Mallette, Sandra Parker, Sherra Briggs, and Regina Whittle.

Two girls qualified for the state finals. Thelma Briggs in the 440 placed third with an outstanding time of 59.9. Mary Ellen Mallette placed fourth in the baseball throw. Thelma and Mary Ellen were also conference and district champions.

There was only one senior on this year's team so the future looks very bright for the 1981 Vancleave Girls' Track Team.

Back Row: Left to Right: Jean Webb — manager, June Webb, Sandra Parker, Andrea Reed, Thelma Briggs, Regina Whittle, Sherra Briggs, and Coach Barr. **Kneeling:** Lori Hampton, Evelyn Jackson, Myra Coleman, Devy Pendergrass, Mary Ellen Mallette, and Martha Pendergrass.

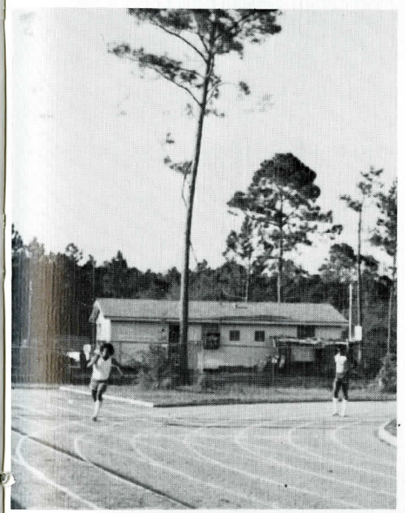
Top Left: Mary Ellen Mallette participating in the baseball throw. **Top Right:** Thelma Briggs running her leg in the mile relay. **Center Left:** Devy Pendergrass in the 880 yard run. **Center Right:** Myra Coleman in the broad jump. **Bottom:** June Webb in the low hurdles.

JUNIOR HIGH TRACK — BOYS

Kneeling: Left to Right: Rydell Payton, Shaund Briggs, Ricky Bone, Leauthur Joseph, and Richard Warren. **Standing: Left to Right:** Coach Walters, Terrence Walker, Patrick Jackson, Casey Jones, Reginald Wright, Sidney Joseph, Trey McCrory, John Warren, and Clifton Fairley, manager.

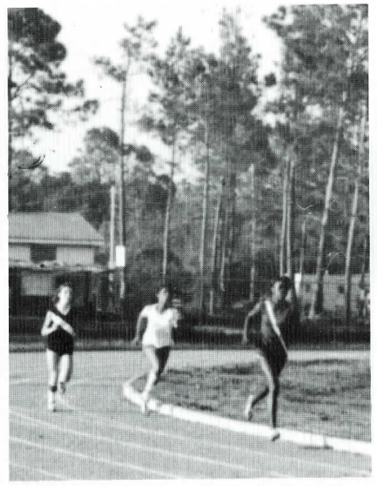
This year's Vancleave Junior High Track Team had several outstanding individual effort, but also showed good group effort and enthusiasm. Some individual firsts were Reginald Wright, high jump; Patrick Jackson, 100 yard dash; and Terrence Walker, 120 yard low hurdles. The mile relay team also had a first place and all of these young men deserve credit for the hustle and spirit of the track team.

This same team won the 880 relay, also. **Center Left:** Sidney Joseph on the last turn of a relay. **Center Right:** Sidney Joseph, Shaund Briggs, John Warren, and Rydell Payton getting ready for a relay. **Bottom:** Reginald Wright in the high jump.



JUNIOR HIGH TRACK — GIRLS

The junior high girls' track team had a very successful year. They came out on top with the title of **Pascagoula River Conference Champs.** Among some of the members who excelled in the track events were Denise Briggs, Angelia Williams, Thelisa Gaines, Denise Batson, and Joy Reddix. At the conference track meet, the girls brought home seven first place ribbons.



Standing: Left to Right: Coach Trebotich, Denise Briggs, Denise Batson, Angelia Williams, Deborah Warren, and Lillian Hampton.

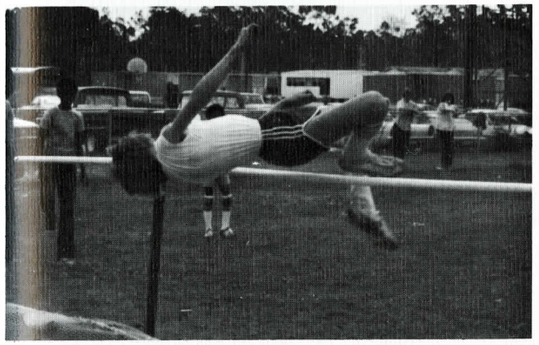
ELEMENTARY TRACK MEET

This spring Vancleave was honored to be the host of the fifth and sixth grade Jackson County Track and Field Meet. Vancleave, St. Martin, and East Central participated. St. Martin won overall first and Vancleave placed second. The students enjoyed competing against the other schools and we feel this taught them a lot about sportsmanship.



Pictured are some of the students who participated: (1) Harold Sanderson, broad jump. (2) Penny Fountain, broad jump. (3) Michael Carlisle, high jump. (4) Ella Mae Briggs, high jump. (5) Sarah Blair, 440 yard run.

BASEBALL
SUB-DISTRICT CHAMPS

The V.H.S. baseball team had a very rewarding year, but not quite as successful as they had hoped. Their goal was to be the South District VIII Champions. Although they did not quite attain this goal, they were the 1980 Sub-District VIII Champions

The most productive player of the year was Kenny Lett, a senior that played left field. He made all-conference and had a batting average of .427. Thomas Byrge was the outstanding pitcher with a 5-3 record and a .288 batting average.

The players started out slow, but never gave up. After starting 0-5, they went on to finish the year with a 9-5 pace. The future of baseball is bright at Vancleave. Eight of the nine starting players will return with only three seniors leaving.

The coach, Charlie Driskell, was voted the conference Coach of the Year. He did a fine job coaching this year.

CO-OP BANQUET

On April 24, the cooperative education students honored their job sponsors with an employer-employee appreciation banquet. The banquet was held at the Tiki Restaurant in Gautier.

The purpose of the banquet was to express the student's appreciation toward their employer for helping to make the 1979-80 school year a successful one for the cooperative program.

Pictured are: Left: Students enjoying the banquet. **Right:** Mrs. Jackson presenting Theresa Stubbs the Co-op Student of the Year award.

Each class within each grade competed. Many ribbons were awarded to individual students with trophies given to the overall class winner within each grade. The overall class winners were: First grade, Miss Yates' class; second grade, Mrs. Robinson's class; third grade, Mrs. Hoprich's class; fourth grade, Mrs. Davis's class; fifth grade, Mrs. Simcox's class; and sixth grade, Mrs. Wise's class.

All students participated in the events. There were so many events and students participating, only a few could be pictured. All pictures are identified on the next page.

SPECIAL OLYMPICS

Special Olympics gives those in special classes the opportunity to participate in sports. It includes all sports from running track to swimming.

Mr. M. H. Mallette

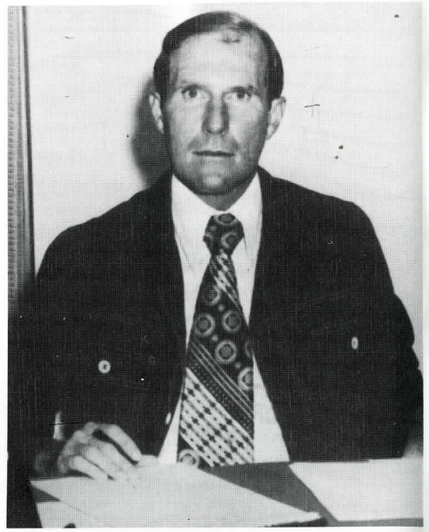
Mr. Jimmy Smithie
Superintendent of Education
1980

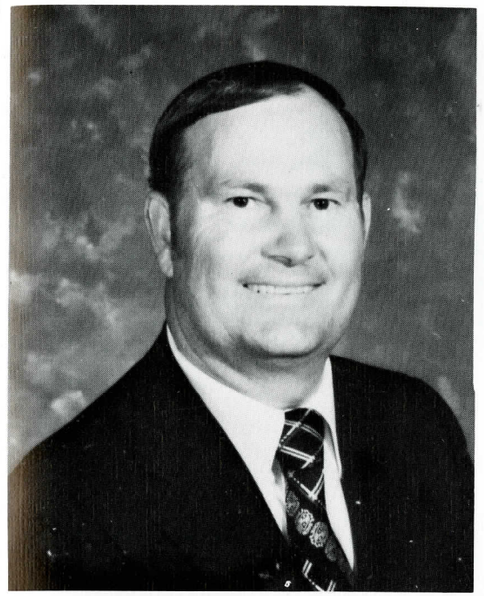


School Board: Left to Right: Mr. Charles McRae, Attorney; Mr. Lonnie Atkinson, Mr. John Radich, Mr. Tommy Brodnax, Mr. Arthur Quave, Mr. Dave Mallette, and Mr. M. H. Mallette.

This was election year for the superintendent of the Jackson County School System. Mr. M. H. Mallette retired this year after fifteen years of dedicated service to our schools.

In January our new superintendent, Mr. Jimmy Smithie, took over his new duties. Mr. Smithie previously served our school system as director of personnel for two years after he had been attendance center principal at Vancleave for ten years.

The students and faculty at Vancleave are looking forward to working with Mr. Smithie in this new capacity for the next four years, at least.



During this school term we have moved into the decade of the 80's.

As we gaze upon the pages of the Time 'n Tide, we are reminded that this year, like years past, has brought success as well as failures. We have experienced both the joys of victory and the agonies of defeat. But all are necessary experiences with which one should learn to cope in the process of growing up a process in which school plays an important part.

However, let one remind you that responsibility goes with this privilege. Those who are given the best should do their best to be the best.

There is no gift I could prize more than this time God has given me for sharing with a fine staff and with young people. As together we have developed warm friendships, engaged in the search for knowledge, grown in love of God, Country, and Fellowman.

Mrs. Wozencraft will be long remembered as she spent approximately twenty-six years dedicated to teaching young children. In teaching she had great expectations of her students. She always reminded them that "nothing was impossible" in whatever they wanted to attain.

She was especially unique because of her desire and hard work to overcome a great handicap in her early years of life.

"Our Miss Brooks" will be remembered for many years to come. A poem by Leslie Pinckney Hill depicts her teaching and her relation to her students.

"The Teacher"
Lord, who am I to teach the way
To little children day by day,
So prone myself to go astray?

I teach them power to will and do,
But only how to learn anew
My own great weakness thru and thru.

I teach them love for all mankind
And all God's creatures, but I find
My love comes lagging far behind.

Lord, if their guide I still must be,
Oh, let the little children see
The teacher leaning hard on Thee.

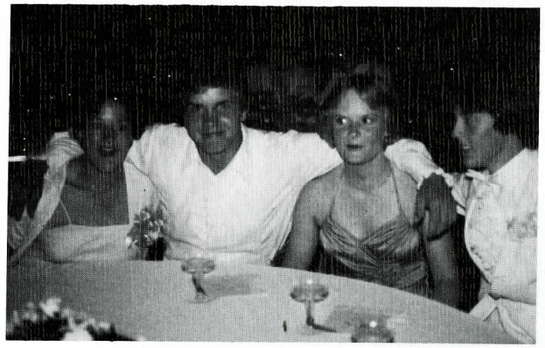
"SAIL ON"
JUNIOR-SENIOR PROM

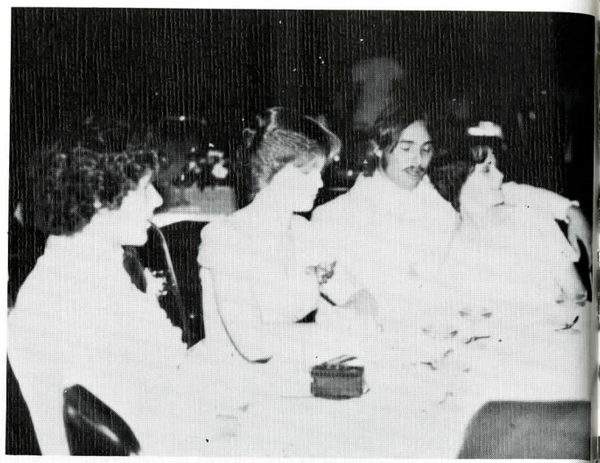


"Sail On" made this year's prom the most memorable night for both the juniors and seniors. The juniors of 1980 sure had a great way of showing how much this prom meant to them. The decorations, music, and food were terrific!!!

The prom was held at the Gulf Coast Coliseum in the Convention Hall on the tenth of May from 8:00 p.m. to 12:00 p.m.

Escorts and their dates filled the room with talk, laughter, eating, and dancing. It was obvious that everyone was enjoying themselves.

Even though everyone stuffed themselves at the prom, some still went out later to eat.



The prom music was so good everyone got in on it, even Mr. Pritchett. There wasn't just one type of music, but all varieties. No one could ask for more. You, the seniors of '80, should thank the juniors for the best prom that has ever been held for Vancleave High School.

Watching o'er a stately people

Forward, forward,

But our hearts shall ever love thee

Surge around thy feet,

Teach them wisdom,

1980 GRADUATING CLASS

SEASONAL UNITY

We chose our theme this year thinking it appropriate for our school and community. As a whole, everyone had to band together to achieve goals and to get through the trying times. It was not easy at times, but we have pulled through.

Looking back, we see the tragedies first. Hurricane Frederick invaded our lives and left considerable damage. The senior class lost one of its members due to an accident, and another senior was seriously injured in an accident, but was able to graduate with the class. We also lost one our very dedicated teachers due to illness.

We have to accept the tragedies and push onward and look for the good things in life.

The school and community worked long and hard together to pass the bond issue. Now we will have a new high school in the near future.

Everyone, teachers and students, have brought about several "firsts" at Vancleave this year. The high school track teams went to the state track meet and came back with some ribbons. The home economics department received a microwave oven. The elementary worked together to have a track team and the special students went to the Special Olympics.

Working together played an important role in all things, the good and the bad. We have to unite and work in harmony to achieve all things. In order to harmonize we need to learn:

There is a season for everything,
A time to be born, a time to die;
A time to plant;
A time to harvest;
A time to kill;
A time to heal;
A time to destroy;
A time to rebuild;
A time to cry;
A time to laugh;
A time to grieve;
A time to dance;
A time for scattering stones;
A time for gathering stones;
A time to hug;
A time not to hug;
A time to find;
A time to lose;
A time for keeping;
A time for throwing away;
A time to tear;
A time to repair;
A time to be quiet;
A time to speak up;
A time for loving;
A time for hating;
A time for war;
A time for peace.

Ecclesiastes 3:1-8

FROM THE EDITORS

STUDENTS,

It all began in September 1979. We started the first day teaching the new members our trade. It was tedious at first, but finally they caught the hang of things. At times, we thought the whole annual staff was ready to throw the whole bit in the garbage can, but we always pulled through.

We wanted you, the students, to have a book you could keep and appreciate. This book will be one you will have to retain some of your 1979-80 memories.

We worked hard and put forth a lot of effort to put together this book of memories. It took many months and some setbacks, but finally the last picture was stamped, the last word was typed, and it was ready to be sent to the publisher.

Finally, there is the waiting which seems forever. When you get the final result, you open the book and say to yourself, "We and the yearbook staff made this possible."
